

Organization and Mission Statement

ORGANIZATIONAL STRUCTURE

The Amador Air District consists of a Board of Directors and staff. The Board is comprised of the five Amador County Board of Supervisors and one member from each of the following cities: Amador City, Ione, Jackson, Plymouth and Sutter Creek.

Staff includes the Air Pollution Control Officer (APCO), an Air Quality Specialist Inspector and an Administrative Secretary.

OUR MISSION STATEMENT

- To assist businesses to comply with regulations
- To achieve and maintain ambient air quality standards set by US EPA and California Air Resources Board
- To protect public health and the environment from adverse air quality impacts
- To participate in public planning regarding development within the District

- To assist the public with air quality issues
- To educate the public about air quality

Our staff strives to apply laws and policies equitable and consistently with an open mind, and to conduct business in a timely professional manner.
