| Ukiah Temp - Gobbi Street | 46.84           | F                 |

#### FORT BRAGG

| Description                  | Reading | Units             |
|------------------------------|---------|-------------------|
| Fort Bragg Coarse PM (PM 10) | 9.0     | ug/m <sup>3</sup> |
| Fort Bragg Downtown Temp     | 47.8    | F                 |
| Fort Bragg Wind Speed        | 6.0     | MPH               |
| Fort Bragg Wind Direction    | 78.5    | Degree            |

PM = Particulate Matter

#### WILLITS

| Description             | Current Readings | Units             |
|-------------------------|------------------|-------------------|
| Willits Fine PM (PM2.5) | 0.00             | ug/m <sup>3</sup> |
| Willits Downtown Temp   | 40.64            | F                 |
| Willits Wind Speed      | 0.20             | MPH               |
| Willits Wind Direction  | 323.30           | Degree            |

This is live raw data which has not been reviewed. It may contain errors.

Any PM readings over 900 are an error code - local readings rarely exceed 100.

Air quality readings from other parts of California or from the past are available from the [Air Resources Board](#).
