## About The Photographer

Ryan Ridge grew up in Indiana, where he spent most of his childhood playing outside in creeks and ponds. After finally finishing his degree at [Indiana University](#), he decided to move somewhere that wasn't Indiana.

He currently resides near Homer, Alaska, with his wife, two dogs, and two cats. He works as a sled dog handler, a [small business owner](#), and a photographer.

His other interests include backpacking, ice climbing, snow shoeing, videography, and cooking.

You can visit [Ryan's blog](#) to see the latest pictures and read about life as a Hoosier transplant in Alaska.
