This Sunday on BookTV's In Depth, writer, analyst, and activist Phyllis Bennis Studies joins our three-hour live program to take viewers' calls, emails and tweets on the Middle East situation, U.S. & U.N. foreign policy toward the region and military operations in Afghanistan and Iraq.

Ms. Bennis is the author of numerous books, including "Before & After: U.S. Foreign Policy and the September 11th Crisis" and "Understanding the Palestinian-Israeli Conflict: A Primer." She is the director of the New Internationalism Project at the Institute for Policy and has been involved with in Middle East for many years.
