### WHO WE ARE

Conair is Canada's most experienced specialty aircraft operations provider, delivering a comprehensive range of aerial fire control products and services. With Canada's longest-standing reputation for service excellence Conair has been an industry leader, serving a variety of National and International customers and partners for over 40 years.

Our customers benefit from our highly trained, experienced personnel, who possess an unparalleled understanding of fire control strategies and tactics while operating and servicing our fleet of fixed wing aircraft.

Depend on Conair to provide the most comprehensive range of specialty aircraft services for your organization.
