Release Number: 101015

10/22/2010 - **HOLLOMAN AIR FORCE BASE, N.M.** -- Officials with the 49th Wing have announced that an unmanned MQ-1 Predator crashed on landing here at approximately 1:20 p.m. Friday, Oct. 22.

The aircraft was assigned to the 6th Reconnaissance Squadron, which is part of the Remotely Piloted Aircraft Flying Training Unit, and was returning from a training mission.

No one was injured and no private property was damaged.

A board will be convened to investigate the cause of the accident.
