It's disturbing, the whole concept of killing from long distances. It removes the human element of it, making it seem impersonal, game-like.

Jews like killing Pakistan people that's why

[mixalaki90](#) 12 hours ago

Its deeply sad that the most abundant folks on the planet have fallen for the corporate shell game and are letting the gates of hell to run wild with their names on the horrors.

Wankers! ... USA.

[pedrofisberman73](#) 1 week ago

Americans are the scum of the earth. Obama got the Nobel Peace Prize. He has been making little 'pieces' of innocent people ever since.

[pedrofisberman73](#) 1 week ago

This is the birth of skynet and needs to be stopped!

[Drumvain](#) 1 week ago 2

US does not care if their blithe killing of pakistani innocents pushes their brethren to terrorism. THAT is their goal. Without terrorists, how could they push their agenda?
