Website Changes

CDFW is redeveloping its website with a mobile-friendly design and modern technology. We're incorporating changes suggested by visitors like you to make finding what you need easier than ever.

You may have noticed that our new home page address is **wildlife.ca.gov**, while some pages continue to be found under the **dfg.ca.gov** domain. Moving content from the old site to the new will take some time—we appreciate your understanding during this transition.

Please tell us about your experience! What works for you? How can we improve? Send us your feedback now (<https://www.wildlife.ca.gov/Explore/Website-Feedback>).
