RE: Redwood Valley County Water District Complaint dated March 10, 2014 - Supplemental Information

Dear Chief O'Hagan:

I have provided the Russian River Flood Control District Minutes for February 24, 2014. These minutes show a brief discussion and the formal vote against supplying the Redwood Valley County Water District with water.

Trustee Shoemaker then made a motion to reduce contact amounts by 50% and to stop serving Redwood Valley CWD effective March 1, 2014. On a second from Treasurer White the motion passed unanimously (4-0) via roll call vote.

This action has not been rescinded at this time.

With the Sonoma County Water Agency not willing to supply the RVCWD with water in 2014, this means that the RVCWD is illegally pumping water at this time.

Sincerely,

Rosalind Peterson
