Economics

"Retirement Heist: How Companies Plunder and Profit from the Nest Eggs of American Workers"

Ellen Schultz

About the Program

Ellen Schultz argues that many large employers have plundered employee pension plans over the past decades. She also talks about the crisis this "theft" has created. Hosted by the National Retiree Legislative Network.

About the Authors

Ellen Schultz

Ellen Schultz is an investigative reporter for the Wall Street Journal. She was part of the Journal team that was awarded the Pulitzer Prize for Explanatory Reporting in 2003.
