DRILLING DOWN

Documents: Natural Gas's Toxic Waste

Over the past nine months, The Times reviewed more than 30,000 pages of documents obtained through open records requests of state and federal agencies and by visiting various regional offices that oversee drilling in Pennsylvania. Some of the documents were leaked by state or federal officials. Here, the most significant documents are made available with annotations from The Times.

To print the document, click the "Original Document" link to open the original PDF. At this time it is not possible to print the document with annotations.
