Map of the Damage From the Japanese Earthquake

An interactive map and photographs of places in Japan that were damaged by the March 11 earthquake and tsunami. UPDATED MARCH 31, 2011 1:30 PM ET

ABOUT THE DATA
The Japanese Ministry of Internal Affairs and Communications is keeping a running tally of the deaths and destruction caused by the earthquake and tsunami. While the tally is not yet complete, it already shows a stretch of devastation that stretches more than 400 miles along the coast. The count of total dead and missing is provided by the National Police Agency of Japan.
