@humanswin Yeah, but white people are the ones that seem to be doing all the worldwide evil - terrorism / police state, GMO poison in food, created viruses in laboratories, poisons and chemicals in the AIR & water, coup d etats worldwide, major and minor wars, famines through control of food and food prices on wall street, robbers of tens of trillions via wall st. and banking scams, robbers of the natural resources / minerals of the earth, slavery / genocide. Just keep blaming Muslims/Saints

@HorChild What about Attila The Hun, Ruhollah Khomeini, Idi Amin Dada, Pol Pot, Vlad Tepeş, Emperor Hirohito, Omar al-Bashir, Kim Jong-il, Mao Tse Tung, Osama Bin Laden just to name a few (non white horrible people)..... Did you forget them?
