Subject: Public Records Request

Hi, I would like to obtain any information you folks might have for Plumas County, Chester/Lake Almanor Basin 96020 or 96137, pertaining to Silver Iodide, Acetone, Aluminum, Sulfur Hexafluoride, and Indium Sesquioxide. This would be in relation to unregulated Cloud Seeding in our area. This would be to either Chemical Spills, Stats on exposures, or water tests any years. Thank you
