# Mountain Meadows Conservancy

## Protecting and restoring the Mountain Meadows Basin.

Mountain Meadows Conservancy, a private, locally based, nonprofit 501(c)(3) organization, was formed in August 2001 by Lassen County citizens concerned about the future of the Mountain Meadows Basin. The Conservancy's mission is to conserve and enhance the natural beauty and environmental health of the Mountain Meadows watershed; protect its significant Mountain Maidu burial and cultural sites; and provide recreation and public access for generations to come.
