Dear Supervisors:

Pacific Gas and Electric Company, located at 77 Beale Street, San Francisco, California 94105, will continue a weather resources management project (cloud seeding) during the 2010-2011 winter in the Lake Almanor, Butt Valley Reservoir and Mountain Meadows Reservoir watersheds. Cloud seeding, with the object of increasing useful precipitation, will resume after November 1, 2010. In accordance with Section 410 of the California Water Code, notice of intent for this activity must be published once every 5 years, and this notice was published during October 2006 in the following local newspapers:

**Red Bluff Daily News
Redding Record-Searchlight
Feather River Bulletin
Lassen County Times**

This advisory letter complies with recommendations made by the California Department of Water Resources.

Sincerely,

Edward F. McCarthy, Supervisor
Meteorology Services Unit
