Army-Navy college football game

Naval Aircrewman looks out the door of an SH-60F Sea Hawk

Ship's Navigator renders honors to the national anthem

The Mobile User Objective System (MUOS)

A Hospital Corpsman examines a child

Children wave at a passing MH-60S Sea Hawk helicopter

Special Warfare Crewmen conduct live-fire immediate action drills.

A Rear Admiral presents the Meritorious Service Medal.

Aviation Airman runs to position another aircraft

Navy Hospital Corpsman Mary A. Rhudy and LT Junius Dural discuss a patient's X-rays.

A fast attack submarine is moored at the North Pole

Mass Communication Specialist prepares to dive

A drone is launched from an amphibious dock landing ship

Sailors take vital signs during a medical civic assistance program.

Commanding officer and Command Master Chief salute the troops.

Basic Underwater Demolition/SEAL (BUD/S) students

Chief Aviation Machinist's Mate waits near an F/A-18C Hornet

Aviation Structural Mechanic

Air Traffic Controllers walk to the main gate.

Aviation Structural Mechanic performs routine maintenance

Aviation Structural Mechanic Airman

A Navy Musician plays the trombone

Flight deck personnel prepare to launch the next aircraft

An F/A-18 Hornet prepares to catapult off the flight deck

Fire team members support each other

A Fire Controlman launches a Standard Missile-3 (SM-3)

Petty Officer assigned to Mobile Diving Salvage Unit

Diving medical officer prepares to dive

An E-2C Hawkeye

Sailors man the rails

Exterior view of the new Atlantic Fleet Drill Hall

Personnel Specialist sorts through service records

Navy divers and special operators conduct Training

A Steelworker Constructionman

A guided-missile cruiser and guided-missile destroyers

Chief of Naval Operations attends a frocking ceremony

Assistant director of the U.S. Navy Europe-Africa Band

A nurse embarked aboard an amphibious assault ship

The diversity director

Mass Communication Specialist 2nd Class Chris Perez works with a digital underwater camera.

Sailors man the rails during the homecoming of a Nimitz-class aircraft carrier.

A Volunteer Income Tax Assistant (VITA) assists the Lieutenant with his yearly taxes.

Navy Divers test built-in breathing masks inside a recompression chamber

A Navy pilot prepares for flight operations

General Dentistry Officer looks over X-rays

U.S. Naval Facilities Engineering Command Rear Admiral speaks with a Construction Electrician

An airman performs a routine turnaround inspection on an F/A-18 Hornet

Aerographer's Mate tests the winds

U.S. Navy Surgeons and Hospital Corpsman operate on an injured person.

The many rates that make up a crew stand at attention

Navy SEALs practice evolutions during a training exercise.

An Officer oversees a test conducted by a civilian technician.

A Navy Hospital Corpsman checks a specimen in the "stat lab".

Master-at-Arms Seaman mans an M-60 machine gun

An F/A-18C Hornet sits on the flight deck of an aircraft carrier as the sun sets.

The "Golden Thirteen."

A front loader pours earth to be used in the building of a foundation

Navy legal professionals at work

A Mass Communication Specialist prepares video equipment.

A helicopter pilot stands in front of an MH-53E Sea Dragon helicopter.

A Civil Engineer on a construction site.

A state-of-the-art emergency room at one of the Naval Medical Centers.

An aircraft carrier steams along as the American Flag waves proudly in the wind.

BDCP – One path to a future as a Navy Officer

An aircraft carrier passes by the Arizona Memorial as Sailors spell FREEDOM.

Navy JAG Officers discuss an upcoming trial.

Naval Aviator in the cockpit

A Hospital Corpsman demonstrates the Virtual Reality (VR) parachute trainer

Aircrewman prepare to board an HH-60H special warfare helicopter from the flight deck.

A pilot in an F/A-18 Hornet conducting combat operations.

Crew members take part in a series of damage control training scenarios

A Navy Utilitiesman talks to a community elder through an interpreter during a community relations project.

Basic Underwater Demolition/SEAL (BUD/S) students participate in Log PT (physical training)

Crewmen suit-up two Deep Sea Divers during the rescue/salvage operation

Entrance to the administration building at the National Naval Medical Center in Bethesda, Md.

Naval Diving and Salvage Training Center instructor

Sailors prepare to raise the American Flag during morning colors.

Two Sailors swing at each other in a boxing match on the ship's flight deck

The hospital ship USNS Mercy deployed to a region to provide humanitarian assistance

Aviation Aircrewman completes a swim relay during the Annual Aircrew competition.

Sailors practice rappelling skills during exercises.

Three Catapult Officers simultaneously launch an F/A-18F Super Hornet from the deck of an aircraft carrier.

Two Naval students submerge and breathe from SCUBA tanks

Two HH-60H Seahawk helicopters hover in front of an aircraft carrier

Navy Midshipmen train on proper firefighting techniques.

An Aviation Boatswain's Mate directs an F/A-18C Hornet across the flight deck of an aircraft carrier.

An Aviation Boatswain's Mate refuels an aircraft

The Seabees, Navy Construction Battalion

An operational Commander addresses the media after being briefed and advised by his Public Affairs Officer.

An industrial hygiene officer tests an air sample for contaminants

An Industrial Hygiene Officer prepares to test a water sample.

Aviation Structural Mechanic and an Airman observe flight operations on the flight deck aboard an aircraft carrier.

Mercy is uniquely capable of supporting medical and humanitarian assistance needs

Personnel Specialist performs a butterfly dumbbell press

Navy Lieutenant compliments a young boy on a drawing

Builder Constructionman Apprentice shows some Filipino children the photo she just took of them.

Navy Lieutenant talks with local residents about a prescription at a medical and dental civil action project at a health clinic.

A Laboratory Technician shaves excess plaster away from a dental cast at the clinics dental lab.

Navy Chaplain awards a boy a soccer ball

A physical therapist plays with a young girl

Members of the Navy's Explosive Ordnance Disposal (EOD) conduct training evolutions.

Members of the Navy's Explosive Ordnance Disposal (EOD) conduct training evolutions with the Pac Bot remote-controlled vehicle.

A personnel inspection coinciding with a change to winter uniforms.

USS Wahoo (SS 238) gets underway for her seventh war patrol

F/A-18F Super Hornet

An F/A-18F Super Hornet launches off the deck of an aircraft carrier.

EA-6B Prowler aircrew commence start-up procedures on the flight deck aboard an aircraft carrier.

Two HH-60H Sea Hawk helicopters armed with AGM-114 Hellfire missiles

Sailors prepare to man the rails on the flight deck aboard an aircraft carrier.

Two Construction Electricians cut bracing

Chief Hospital Corpsman surveys the scene during a damage control drill

The amphibious transport dock ship Pre-Commissioning Unit (PCU) New York

Chief Hospital Corpsman performs an eye exam on a patient aboard an aircraft carrier.

A Navy Construction Battalion Builder builds decking for a Southwest Asia Hut

A Navy Musician takes direction from the conductor

Navy musicians march in a Veteran's Day parade.

An aircraft carrier is participating in Annual Exercise (ANNUALEX 21G), a yearly bilateral exercise.

Navy research psychologists test theories everywhere from world-class laboratories to remote field settings.

Mineman Seaman Recruit works at the radar station

Aviation Electronics Technician spot ties wiring on an EA-6B Prowler

An F/A-18C Hornet launches from the deck of an aircraft carrier.

Sailors assigned to a guided-missile submarine practice skills controlling the boat in the Ships Control Team Trainer.

Sonar Technicians monitor sonar equipment

Chief Aviation Boatswain's Mate directs an F/A-18C Hornet onto catapult

Navy midshipmen render honors during the National Anthem.

Officers in the Navy Civil Engineer Corps (CEC)

Boatswain's Mate directs an SH-60 Seahawk helicopter

The Admiral of the Joint Chiefs of Staff addresses students and faculty at the Naval War College in Newport, R.I.

Sailors stretch before group physical training.

A Boatswain's Mate guides an SH-60H Sea Hawk helicopter to land aboard a guided-missile cruiser.

A damage control assistant aboard the Los Angeles-class attack submarine, uses a Global Positioning System to plot the ship's location while in transit.

A Naval Air Crewman conducts a visual patrol out of an SH-60F Sea Hawk helicopter

Sailors bow their heads in prayer during a ceremony aboard a Nimitz-class aircraft carrier.

The guided-missile destroyer USS Curtis Wilbur.

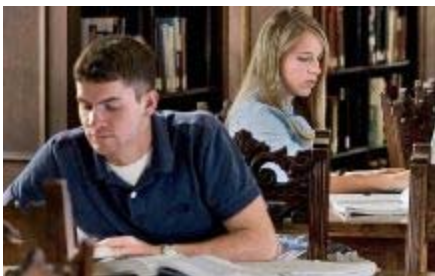

Amanda Hodges, an Aviation Structural Mechanic

Jean Barnwell - Naval Reactors Engineer

A top college, doing what you do best. Playing hard. Studying harder.

Naval Reserve Officers Training Corps (NROTC)

NROTC San Diego Conducts Pass-in-Review and awards.

Navy experience is something that always looks good on a resume.

Lawyer in the Navy Judge Advocate General's (JAG) Corps

Melanie Molina - Master-at-Arms

Navy Aviation Rescue Swimmers (AIRR) and Aircrew

Navy Divers in training

Surface Warfare Officer serving on board the USS Nimitz

Navy Recruiting Command produces a TV commercial

A SH-60F Sea Hawk helicopter flies over a Sea Wolf class submarine during a 26 ship formation photo exercise.

A Hospital Corpsman bandages a Naval Aircrewman during an emergency drill.

A plane captain cleans an F/A-18C Hornet aboard an aircraft carrier.

A Construction Mechanic drives a light amphibious re-supply cargo vehicle through the well deck of an amphibious assault ship.

Sailors undergo a transformation from civilian to sailor in just over eight weeks.

Upon completion of "Boot Camp" these sailors are taught the basics of teamwork and attention to detail

Construction Electrician attaches a section of a medium girder bridge during a training exercise.

An Electronics Technician replaces a hard drive in a computer.

LT Brian Heintschel studies a sample of insects collected from ships and shore facilities.

A Sailor sits in a simulator during a test flight using the new Reduced Oxygen Breathing Device (ROBD).

A Yeoman Seaman studies advanced qualifications while standing by.

Air Traffic Controllers track an inbound helicopter from the ship's air traffic control center.

An Aviation Structural Mechanic prepares an E-2C Hawkeye for launch aboard an aircraft carrier.

Flight deck personnel prepare for night operations aboard an aircraft carrier.

The aircraft carrier is a part of a group of ships providing military support

A landing craft air cushion (LCAC) exits the well deck of a multi-purpose amphibious assault ship

The forward deployed amphibious assault ship is pier side at White Beach Naval Facility.

An aircraft director watches from a flight deck elevator as a multi-purpose amphibious assault ship conducts a replenishment at sea.

An F/A-18 Hornet launches from an aircraft carrier.

An aircraft director guides an MH-53E Sea Dragon to a landing spot aboard an amphibious assault ship.

Landing craft mechanized boats depart an amphibious dock landing ship with relief supplies.

Command Master Chief and Chief Aviation Structural Mechanic unpack supply pallets during a vertical replenishment at sea aboard the Arleigh Burke-class guided-missile destroyer.

An Occupational Therapist administers therapy to a Sailors knee.

Podiatrist, Kitra Owens, performs surgery

A U.S. Naval Reservist provides a local Peruvian girl with a medical check-up.

A Social Worker colors with an Afghan boy in the Indira Gandhi Children's Hospital Burn Ward.

Postal Clerk Seaman Apprentice assists Chief Sonar Technician with mail in the post office aboard an aircraft carrier.

Cryptologic Technician (Technical) establishes communications with the combat information center

The Military Sealift Command hospital ship USNS Comfort

A Hospital Corpsman uses an automatic pill dispenser to refill a patient's prescription

Operations Specialist Seaman mans the rails aboard an Arleigh Burke-class guided-missile destroyer during the ship's commissioning ceremony.

A Nimitz-class aircraft carrier transits up the Elizabeth River

Submarine Officer

An environmental health officer teaches proper water sanitation procedures.
