## LINKS:

[Arts and Entertainment](#) : [Media Production](#) : [Tools and Equipment](#)

### [Dannyboy Services, LLC](#)

Providing a generously equipped 3-ton grip truck, **tungsten**, HMI, generator, camera dollies, and technical labor. Atlanta.  
<http://www.dannyboyservices.com>

[Arts and Entertainment](#) : [Media Production](#) : [Tools and Equipment](#) : [Lighting and Grip](#)

### [Get a Grip](#)

Florida-based gaffer/grip and grip/electric company. Fully equipped grip truck and electrical distribution. 3/5/10 ton packages av. HMIs and **tungsten**, rigging, walkie talkies. Complete crews available for film or video production. Travel not a problem.  
<http://www.getagrip.net>

[Arts and Entertainment](#) : [Photography](#) : [Manufacturers](#)

### [Hari Singh & Sons](#)

Manufacturers of photographic equipment - electronic flash equipment, camera and video stands, **tungsten** lighting equipment, cutters, background support systems, boom arm with stands, wall mounting booms, accessories.  
<http://www.harisonphoto.com>

[Arts and Entertainment](#) : [Tools and Equipment](#) : [Lighting](#) : [Photographic](#)

### [Hyundai-Fomex Co., Ltd.](#)

Korean manufacturer of strobes, flash systems, power packs, reflectors, softboxes, bags, umbrellas, **tungsten** lights, light stanc camera stands.  
<http://www.fomex.com>

[Chemicals](#) : [Polymers](#) : [Processing Methods](#) : [Molding](#) : [Tools and Equipment](#) : [Mold Making](#)

### [Shin Yong Metalurgy Co., Ltd.](#)

**Tungsten** carbide products include mold blanks, sintering rod, saw tips, mining and construction tools and heat-based dies.  
<http://www.sypress.co.kr/>

[Chemicals](#) : [Wholesale and Distribution](#)

### [Trifine Industries](#)

Suppliers of high purity **tungsten** salts.  
<http://www.trifineindustries.com>

[Construction and Maintenance](#) : [Materials and Supplies](#) : [Electrical](#) : [Lighting](#) : [Accessories](#) : [Bulbs and Sources](#)

### [Haiguang Lighting](#)

Sells a series of self-color bulbs, **tungsten** halogen lamps, efficient energysaving lamps to 30 countries in 5 continents.  
<http://www.cn-light.com/>

[Construction and Maintenance](#) : [Materials and Supplies](#) : [Electrical](#) : [Lighting](#) : [Luminaires](#) : [Commercial and Industrial](#)

**LightTech**

Produces fluorescent fixtures, all fixtures use high frequency ballast's and full spectrum high CRI lamps in both **Tungsten** and E  
<http://www.lighttech.com/>

[Consumer Goods and Services](#) : [Office Products](#) : [Furniture](#)

**Desk-Link**

Elegant office furniture sold in the United Kingdom under the brand names of **Tungsten** and Porta-Freedom.  
<http://www.desklink.co.uk/>

[Consumer Goods and Services](#) : [Sporting Goods](#) : [Golf](#) : [Clubs](#)

**Carbite Golf**

Introduced Polar Balanced **tungsten** weighted putters and features the **Tungsten** TRi-Weight putters and other models.  
<http://www.carbitegolf.com/>

[Electronics and Electrical](#) : [Components](#) : [Microwave](#)

**Costen Corp**

Supplies thermal management materials to the microelectronics and power electronics industries including copper-**tungsten**, cc molybdenum, copper/molybdenum/copper, copper/invar/copper, and nickel or gold plated molybdenum.  
<http://www.costencorp.com>

[Electronics and Electrical](#) : [Heating and Cooling](#)

**Zhengzhou Chida Tungsten & Molybdenum Products Co., Ltd.**

Manufacture MoSi2 heating elements and SiC heating elements.  
<http://www.sw365.com/co/?jasper1jrk>

[Electronics and Electrical](#) : [Test and Measurement](#) : [Automatic Test Systems](#) : [Probes and Accessories](#)

**STI, Inc.**

Manufacturer of paliney, **tungsten**, rhenium, and beryllium copper probe needles.  
<http://stiprob.com/>

[Electronics and Electrical](#) : [Wiring and Accessories](#)

**WireTronic Incorporated**

Provider of a range of specialty wires including magnet, resistance, nichrome, litz, **tungsten**, special precious metals and alloys  
<http://www.wiretron.com/>

[Industrial Goods and Services](#) : [Cable and Wire](#) : [Tools and Equipment](#) : [Wire Drawing](#)

**Foxtan Dies Limited**

Manufacturers of **tungsten** carbide wire drawing dies and associated products including rolls spinner, shaving, shaped dies, pre plastic mold tools cutter dies twisting dies drive rolls chain dies clutch dies  
<http://www.foxtandies.com/>

[Industrial Goods and Services](#) : [Casting, Molding, Machining](#)

**Philadelphia Carbide Company**

Designs and manufactures variety of machine and wear parts, punches and dies, and special purpose components in **tungsten** carbide and ceramic materials. Site describes capabilities and includes examples of end products.  
<http://www.philacarbide.com>

**Fansteel Inc.**

Manufactures diversified range of metal components, including sand and investment castings, closed die forgings, and **tungste**

cutting tools and forms. Site provides details of capabilities, products, and factory locations.  
<http://www.fansteel.com/>

[Industrial Goods and Services](#) : [Casting, Molding, Machining](#) : [Foundries](#) : [Metal Injection Molding](#)

#### [Injectamax](#)

Metal injection molding fabrication and manufacturing services. Variety of metal alloys including stainless steel, copper, steels, molybdenum, tool steels, **tungsten**. Special alloys.  
<http://www.injectamax.com>

[Industrial Goods and Services](#) : [Casting, Molding, Machining](#) : [Machine Shops](#) : [Electrical Discharge Machining](#)

#### [Antech Wire EDM Inc.](#)

Canada. Specializes in wire EDM and CMM services. Cutting capabilities include aluminum, brass, copper, graphite, poly-crystalline diamond, and **tungsten** carbide materials, as well as mild, stainless, spring, and hardened tool steel.  
<http://www.antechedm.com>

[Industrial Goods and Services](#) : [Casting, Molding, Machining](#) : [Machine Shops](#) : [Full Service](#) : [Regional](#) : [Europe](#) : [United Kingdom](#)

#### [L&C Precision Engineering Ltd](#)

UK. Specializes in CNC turning and machining. Can handle wide range of ferrous and non ferrous materials, including molybdenum, **tungsten**, graphite, stainless steels, and plastics.  
<http://www.l-precision-eng.co.uk/>

[Industrial Goods and Services](#) : [Casting, Molding, Machining](#) : [Machine Shops](#) : [Metal Grinding](#)

#### [Metal Cutting Corporation](#)

Manufacturer of precision metal parts using abrasive cutting, grinding, lapping, and polishing to QS-9000 and ISO-9002 standards. Sells **tungsten** wire.  
<http://www.metalcutting.com/>

[Industrial Goods and Services](#) : [Casting, Molding, Machining](#) : [Machine Shops](#) : [Tool and Die Shops](#)

#### [Bronson and Bratton](#)

Manufacturers **tungsten** carbide and ceramic tools dies and wear parts. Specialize in seals, powder metal tooling, draw dies, coils, and automation.  
<http://www.bronson.com/>

#### [Philadelphia Carbide Company](#)

Specializing in **tungsten** carbide, ceramics and silicon carbide serving electronics, automotive, metal forming, computer, plastic industries.  
<http://www.philacarbide.com/>

[Industrial Goods and Services](#) : [Machinery and Tools](#) : [Welding Equipment](#)

#### [Litty GmbH](#)

Company specializing in **tungsten** welding electrodes.  
<http://www.tungsten.de>

[Textiles and Nonwovens](#) : [Machinery and Equipment](#) : [Maintenance and Repair](#)

#### [Precision Roll Grinders, Inc](#)

USA. Industrial roll grinding and repairs company. Roll refinishing, grinding, repairing and refurbishment for the nonwovens industry. **Tungsten** carbide coating, and hot grinding to simulate actual operating conditions.  
<http://www.precisionrollgrinders.com/>
